### PUBLIC NOTICE

### Request For Proposals (RFP)

### 4G BLACKSPOT PROJECT -Broadband Initiative

NICTA is seeking Proposals (RFPs) from qualified Mobile Network Operators (MNOs) to Identify and develop solutions to enhance 4G coverage in areas of poor to nil 4G signal quality (Blackspots).

MNOs with adequate resources, experience and track record in innovative network expansion solutions, providing high-quality and affordable 4G mobile services and managing mobile network infrastructure, particularly in challenging environments, are encouraged to submit their interests.

This is an opportunity to showcase the innovative leadership within the mobile network industry and to play a vital role in connecting underserved communities through expanding and improving overall 4G mobile network quality and accessibility for citizens throughout Papua New Guinea.

Interested parties must submit their proposals by email ONLY to [uas@nicta.gov.pg](mailto:uas@nicta.gov.pg) by Friday 30<sup>th</sup> August 2024. For further information please contact Mr. Roa Velekiri on 3033299 or email: [relekiri@nicta.gov.pg](mailto:relekiri@nicta.gov.pg).

For a detailed RFP package, please visit the UAS website at <https://uas.nicta.gov.pg/> NICTA website at [www.nicta.gov.pg](http://www.nicta.gov.pg) .
